Citigroup Global Markets Funding Luxembourg S.C.A. (the Company)

Issue of Class 275 Share (the **Preference Share**)

No prospectus is required in accordance with the Prospectus Regulation (as defined below) for the issue of Preference Shares which are the subject of these Issue Terms.

The Preference Share Offering Memorandum referred to below (as completed by these Issue Terms) has been prepared on the basis that any offer of Preference Shares in any Member State of the European Economic Area or the United Kingdom (each, a **Relevant State**) will be made pursuant to an exemption under the Prospectus Regulation from the requirement to publish a prospectus for offers of the Preference Shares. Accordingly any person making or intending to make an offer in that Relevant State of the Preference Shares may only do so in circumstances in which no obligation arises for the Company to publish a prospectus pursuant to Article 3 of the Prospectus Regulation or supplement a prospectus pursuant to Article 23 of the Prospectus Regulation, in each case, in relation to such offer. The Company has not authorised, and does not authorise, the making of any offer of Preference Shares in any other circumstances. The expression **Prospectus Regulation** means Regulation (EU) 2017/1129 (as amended).

In relation to the UK, this document has been approved for the purposes of Section 21 of the UK Financial Services and Markets Act 2000 (as amended from time to time), by Citigroup Global Markets Limited, Citigroup Centre, 33 Canada Square, London E14 5LB, which is authorised by the Prudential Regulation Authority and regulated by the Financial Conduct Authority and the Prudential Regulation Authority, 25 The North Colonnade, Canary Wharf, London E14 5HS, in the conduct of its investment business.

The Preference Shares have not been and will not be registered under the United States Securities Act of 1933, as amended (the **Securities Act**) or any state securities law. The Preference Shares are being offered and sold outside the United States to non-U.S. persons in reliance on Regulation S under the Securities Act (**Regulation S**) and may not be offered or sold within the United States or to, or for the account or benefit of, any U.S. person (as defined in Regulation S). Each purchaser of the Preference Shares or any beneficial interest therein will be deemed to have represented and agreed that it is outside the United States and is not a U.S. person and will not sell, pledge or otherwise transfer the Preference Shares or any beneficial interest therein at any time within the United States or to, or for the account or benefit of, a U.S. person, other than the Company or any affiliate thereof. For a description of certain restrictions on offers and sales of the Preference Shares, see "*Selling Restrictions*" of the Preference Share Offering Memorandum, and any selling restrictions as set out in these Issue Terms.

The Preference Shares do not constitute, and have not been marketed as, contracts of sale of a commodity for future delivery (or options thereon) subject to the United States Commodity Exchange Act, as amended, and trading in the Preference Shares has not been approved by the United States Commodity Futures Trading Commission under the United States Commodity Exchange Act, as amended.

This document constitutes the Issue Terms for the Preference Shares described herein and must be read in conjunction with the Preference Share Offering Memorandum. Full information on the Company and the offer of the Preference Shares is only available on the basis of the combination of these Issue Terms and the Preference Share Offering Memorandum.

The Preference Share Offering Memorandum (including all documents incorporated by reference therein) is available for viewing at the offices of the Company.

For the purposes hereof, **Preference Share Offering Memorandum** means the Preference Share Offering Memorandum dated 26 October 2015 including all documents incorporated by reference therein.
